

Winder, GA - Saturday, October 2, 2010
7am-10am (5K Fun Run), 10am-10pm (Festival)

CALLING ALL CHURCHES

Hopefully you heard about Faith Fest at Winder First United Methodist Church. It has been HUGE success reaching out to over 5,000 people. This years Faith Fest is bound to be bigger and better than ever! Faith Fest will be on October 2nd and will kick off with a 5K Fun Run through the community. Around 10am the festival will kick off with the KidZone and Craft area and our first band will take the stage at 11am. Live music will play until around 9:30-10pm. This is a major community outreach festival that is geared to give the community a taste of what Church's can provide this great community. This event is not about Winder First United Methodist Church; it is geared to be about all Churches bringing the community closer to GOD in a different way!

We are holding Faith Fest on our grounds; and are really excited about everything coming to this year's event. We will have a KidZone with inflatables, games and activities for the children to enjoy. There is a Craft and Community Area with up to 60 crafters selling many great items and promoting their businesses/Churches. There will be a Food Zone with many different food items for sale. And of course the main attraction the BigStage which will have acts from all over Georgia. We will be featuring Christian music of all kinds, some bands coming include The Oswald Brothers Band and National Christian Recording Artist ECHOING ANGELS! This is just two of the 8 bands. We have also partnered with The Anna Hurdle Foundation as the charitable organization of Faith Fest where all funds raised over the cost of the event will go to the organization. We have partnered with 104.7 The Fish to have them back out broadcasting live from Faith Fest. Like we said Faith Fest is going to be exciting however, this cannot be done without the support of the community. Faith Fest is reaching out to you, your Church and your congregation.

Here are some ways you can help with Faith Fest. Of course a monetary donation is always helpful. A second way of helping is by having a booth in our Craft and Community Area; this booth would be so people can go to and see what your church has to offer. We are asking for a \$20.00 donation for the booth. It is your chance to reach out to people that might not have a church home. All the money raised through the fees goes to fund the items needed to make Faith Fest possible. Registration can be found on our website along with any other information you might need about our Fair www.faithfest.us. Also we can be found on myspace at www.myspace.com/faithfestwinderga and Facebook just search for the group Faith Fest!

Another way to help is on our Main Stage we are looking for Ministers, and Preachers to do a short sermon or devotional between bands (approx 10 minutes). This would give your church some extra exposure. We would love to have someone from each denomination. If you are interested please contact John at 678-677-1702 or email at faithfest@winderfumc.com. You can see the available times by going to the website and clicking on Big Stage.

There is no cost to attend Faith Fest, so another way to help is by letting your congregation know about Faith Fest and encourage them to come out to pray, praise and show faith with us.

Thanks for your time and consideration in helping Faith Fest

Faith Fest Staff

For any questions please call our Event Coordinator: John Janick at 678-677-1702 or email faithfest@winderfumc.com.
