### **CALLING ALL SPONSORS**

Winder First United Methodist Church is hosting its yearly festival called Faith Fest again this year! We reached out to over 2,000 people from our community last year and want to expand on the success of the 2008 festival. We are going to begin this year with a new 5K Fun Run/Walk. Both of these outreach projects are geared to give the community a taste of church fellowship and also give people an idea of what OUR town can provide.

We are really excited about the addition of the 5K Fun Run/Walk and need your help! This is where we are calling out to all the local businesses. We are looking for sponsors to help with the costs incurred with the race and then in turn, help support the great celebration of Faith Fest. This event is fully funded by donations from the community, businesses, our church and faithful citizens. We will make your donations worth it...ADVERTISING! Our race will be advertised in various avenues across the entire state. Read below to see what level of donation you can help support us with and see how it can benefit your company!
